CURFEW

COCKTAILS

Imbibing cocktails indoors between specified hours, typically at night.

Established in 2015

Welcome to Curfew

At Curfew, we create more than cocktails we craft a world inspired by the golden age of the 1920s and 30s, where hidden bars, jazz, and quiet elegance shaped a timeless kind of indulgence.

We delight in crafting elixirs that celebrate fresh ingredients, premium spirits, and modern techniques. But more than that, we take pride in offering sincere hospitality – where attentive service and genuine care for each guest are at the heart of what we do.

Each cocktail is a carefully composed journey of flavours, designed to create a memorable experience. We know that taste is wonderfully personal – what delights one guest may not be to another's liking. That's why we encourage thoughtful choices, and we're always here to guide you toward the drink that suits you best.

In this shared journey, mutual respect is essential. We're delighted to have you here, and we look forward to making your visit truly special.

In the heart of Curfew lies a treasure of cocktail history - the Coles Shaker. Dating back to the 1880s, this hand-crank shaking machine, originally an apothecary's tool, became the heartbeat of bustling saloons. It's a marvel that mixes dairy delights with milk, cream, and eggs. The Coles Shaker, with its dual-drink magic, was a spectacle during the night.

These machines are now rarities, echoes of a time before industrialization. But at Curfew, we've revived two Coles Shakers, standing proudly on our bar counter.

Step into the past and order a Ramos Gin Fizz – a symphony of flavors. Gin's robust character blends with citrus, syrup, rich cream, egg white, and orange flower water, topped with fizzy club soda.

The Ramos Gin Fizz is not just a drink; it's a tale of dedication. Ramos's bar once employed shaker men who shook each cocktail for up to 15 minutes. While we've modernized the process, the essence remains: it's an experience, a foamy, floral journey back in time.

Ramos Gin Fizz 175

Plymouth Gin, Fresh lemon and lime, Orange Flower Water, Cream, Simple syrup, Egg White Foam, Soda Water

Citrus-forward / Creamy / Light Gin presence/ Silky

The vintage Coles shaker prepares two Ramos Gin Fizzes at once, so a minimum of two drinks is required. During busy periods, the drink may be shaken by hand.
